

*How is Holy Family Parish special and unique to your family?*

Holy Family has been our parish since the beginning. Our children's Baptisms, Reconciliation, First Communion, Confirmation and Youth Group were at Holy Family.

*What helped you in your discernment to give to the Raise the Roof campaign?*

I am thankful for the encouragement and support our son received when he was the parish's youth ministry coordinator and later when he discerned the priesthood.

*Do you have any parting thoughts or comments you wish to share to members of Holy Family Parish?*

We felt making a pledge to the Raise the Roof campaign will help ensure that more families can experience a warm, welcoming, vibrant parish for many years to come.
