

1) What makes Holy Family Parish special and unique to you both?

*A: Church: a building used for public Christian worship...House Of God*

*Parishoner: one who belongs to or attends a particular church*

*I have belonged to Holy Family Parish for 6 1/2yrs. Many of the parishioners and staff welcomed me showing kindness and friendship. Soon the invitation was offered to participate in whatever area I was comfortable with as help was always needed. I realized This is My church, I must do my share to care for it - this is a vital part of our Christian community; like family "you work together, pray together, stay together to endure the challenges believing GOD WILL PROVIDE.... I feel very at home with Holy Family Parish.*

2) What helped you in your discernment to give to the Raise the Roof campaign?

*A: Acknowledging the objectives were the reasons in my discernment to donate to the Raise the Roof campaign.*

*\* Do the right thing*

*\* Give back*

*\* Charity begins at home in my own community*

3) Do you have any final thoughts or comments you wish to share with members of Holy Family Parish?

*As parishioners we must take responsibility and be accountable for our actions - we use the church, it is there for our use, we belong to the church, are an active part within it .. the church is a place of peace and contentment. Through worship, we show reverence and gratitude to have a church in our community.*

*Therefore, it is a privilege to be a parishioner in good standing and support whatever is required to keep our church functioning.*

*Today that requirement is of a monetary issue \$\$\$ so if possible whatever amount you may be able to donate, know it is graciously received with sincere gratitude!*

*Also continual prayers are very necessary in assisting the Raise the Roof campaign to reach our goal.*
